

## **BECOME AN AC-119 GUNSHIP ASSOCIATION SPONSOR**

For 20 years, donations helped fund our projects and events; like the AC-119 Gunship KIA Memorial Plaque, AC-119 Paintings and Lithos, Stinger Monument, AC-119 History Book, Squadron Flags with Campaign Streamers, AC-119 Gunship Memorial Bench, new Website, Legacy Squadrons, Memorial Ales, Outreach, personal videotaped sessions, and especially Reunions that include hosted KIA families.

**ALL our projects and Events focus on our Association's Mission - - Why We Exist:**

- **To preserve our fixed-wing gunship heritage and history.**
- **To remember our fallen and keep lit the flames of our camaraderie; old friendships and new ones.**
- **To educate historians and the public about the mission, aircrew, groundcrew, and others associated with the AC-119 gunships.**

**Bottom Line: it's amazing what our Association accomplished.**

**What's next? How do we do best achieve the next phase of our Association's journey &**

**Mission?** One way is to make our Reunions as affordable as possible, to help us reach out to more of our AC-119 Air & Ground Crew, and their families. – NOW – while they're still with us. Getting us together while we still can is the biggest plus there is. We can do that by reducing Reunion costs - making attendance affordable for all - and by hosting special Reunion guests such as KIA families.

**How can you help? Become an AC-119 Gunship Association Sponsor! You can sponsor as an individual, as a family, as a group, as a crew, as a crew position, whatever rings your chimes!**

- **We'll use your sponsorships to help us reach out to more AC-119ers; to reduce Reunion costs for all; and to assure we honor our fallen brothers and their families the best we can!**
- **Choose a Sponsor level and we'll recognize you in our Reunion Hootch and Banquet Pamphlet, and on our website!**
