

Association President's Message – May 2020

Greetings from New Jersey fellow AC-119 Gunship Brothers and families!!

We are in a global situation unlike anything we have ever seen in our life-times. My everyday activities are extremely altered compared to what was previously a life of normal retired guy. Nonetheless, I have taken on again the responsibility to lead the Association moving forward. Thankfully, the members of the Board of Directors, appointed officers, and committees are still working, focused on continued success. We are fortunate to have dedicated and conscience folks participating. The Shadow and Stinger spirit is as strong as ever.

REUNION 2020 IS CANCELLED!

It saddens me to announce that the Board has decided that the Association will postpone the Ft. Walton Beach reunion until 2021. We considered all of the uncertainty associated with the Oct. timeframe, we've had meaningful discussions with the Four Points Hotel staff (Thank You Gus Sining), we discussed many of our member's health concerns, and then we envisioned a reunion requiring social distancing and face masks. No way will that work. Will there be another spike in "the curve?" Will a therapeutic or vaccine be widely available? No one knows if this is the perfect decision. Personally, I love FWB and will miss all the activities we would be doing. Thankfully, reunion coordinator Jerry McDonald for the Branson, MO reunion is willing and able to work on moving that reunion from 2021 to 2022.

Thank you to Association newsletter editor Don Luke, for pulling the May newsletter together. Please, thoroughly check it out. Beyond all the routine news, there is so much information regarding: the raffle for a highly customized semi-auto Kimber Classic .45 ACP pistol; new items in the Quartermaster's store; an ongoing request for copies of your Special Orders from our Outreach Committee chairperson Ev Sprous; the Sponsorship Program, and more.

I pray that if we all do the correct things to stay safe, we will get past this global crisis and stay healthy.

All the best,
Mike Drzyzga

NOTE: Doug Wohlgamuth is processing your Reunion Registration refunds, and you'll receive those shortly. If you already reserved a hotel room at the Four Points, please contact them direct at 850-243-8116 to cancel!! There are no cancellation fees.

Outgoing President's Message

To my AC-119 Gunship Brothers, families, and friends,

I never really wanted or asked to be President of the Association, and even said as much when I accepted the position. Since my election, I've tried my best to help the Association, and I feel we've made major improvements in some areas. Along the way, however, we faced a number of unexpected challenges, which took a lot of effort to resolve. I thought we had finally turned the corner and things would run better, but new issues kept coming up that caused me much more stress than I needed.

My doctor has been after me for quite a while to cut back on the amount of stress in my life. Unfortunately, I've had too many friends unexpectedly pass away in the past few months, and I would prefer not to join them. Between my responsibilities as your President, my ongoing health concerns, problems with my extended family (siblings), and discussions with my immediate family members, I regretfully decided it was time to resign from my position as your President. I hope you can understand my decision, but I think it's in the best interest for both my health and the Association's.

At this point, I'm still planning on attending the reunion at Fort Walton Beach in October, and I'm looking forward to seeing everyone there.

Jerry Hester
Immediate Past President

Note: Due to space constraints in the previous Firing Circle, Jerry' Hester's Outgoing President's message was not included.

Final Flight

We remember our human frailty, and the strength of our brotherhood, in the loss of these who joined our Final Flight. You might notice that some who took their Final Flight did so long ago. Ev Sprous and his Outreach Team do a super job locating, contacting, and reconnecting with our remaining living crewmates. They also find many who are already deceased. They can only reconnect us with our remaining living Brothers if they know who to look for! **PLEASE** visit <https://www.ac119gunships.com/membership-contact-information/alpha-roster> and add any missing names or contacts you have. Remember our human frailty, and the strength of our brotherhood, in the loss of these who joined our Final Flight. Please remember their families in your prayers. R.I.P., Brothers all:

Please check your lockers, check your desks, check your binders, check your computers and check the old shoe boxes. If you have copies of orders, awards, decorations or anything else from your time with the AC-119 gunships and haven't already provided a copy to Ev Sprous for the Association Records Collection, make a paper copy and mail it to Ev Sprous at 2615 N.
