

SAN ANTONIO REUNION REMINDER

You can STILL win a beautiful AR15 at this reunion, AND you don't need to be present to win! Ron Soderquist has again created a superb rifle and collectable that not only will drive tacks, it will remind all who see it how

“All Gave Some & Some Gave All” –

open the “AR-15 Info” attachment to see it and get your tickets!

Doc Fletcher's new book *“Charlie Chasers”* will be available, and you can still get his *“Shadows of Saigon”* and *“The Shadow Spirit”*! Fletch will have his paperback and hardcover books at the reunion, and he wants Stingers to know that they too are in the book at various times : open the “Charlie one sheet” attachment for more!

San Antonio Reunion Polo Shirts: Have you ever been frustrated because you wanted to buy a reunion shirt, but the size you need wasn't available? This year we're adjusting the quantities ordered (more of the smaller and larger sizes, but fewer of the mid-range sizes). This year's shirts will be white pocketed polo shirts with images of a Stinger and a Shadow in the foreground and the Alamo and Tower of the Americas in the background (see design below). If you want to make sure you'll be able to get the shirt(s) in the size(s) you need, please let Jerry & Ellen Hester (jhester7.satx@gmail.com) know how many you'll need of each size (S-XXXL) by 10 August, and they'll hold your shirts until the end of the Association and Wives meetings Saturday morning, after which, they'll be released for sale to other attendees – open the “AC-119 Gunship Shirts BACK” attachment to see what's on the back of the shirt!
