Steve,

Greetings from your AC-119 friends! Your Memorial Ales were a huge hit for everyone. Our KIA families are still overwhelmed by it all.

On the relabeling we asked you to do, our Board asked me to get involved since Fred Rider has some health challenges & Ev Sprous is coordinating our next Reunion. I'd like to talk with you briefly, then we can wrap up the KIA Family distributions. Can you please send me your phone number?

Thanks! Wayne Laessig, AC-119 KIA POC, Cell 707-592-4492

Alan Stinar Thank you for what you do. Our community is blessed to have people who remember the crew of Raider 04. We are their witness, without us, their memory would just disappear.

Steve Sirois Alan Stinar, check out "Callsign Brewing" I dedicate my time to remember aircrews.

Sad to say though, too many call signs and not enough beer. I will do my best though.

It's time to tell Direct TV and Time Warner to F#*k themselves. Google fiber is installed.
