

How To Join the AC-119 Gunships Facebook Page

OK, AC-119 Gunshippers, if you are on Facebook, it's time to join our page for the Association. It is called AC-119Gunships. Below are the illustrated instructions to get to the page and join. Come on and join; this is your page.

Type "AC-119Gunships" in the Search window, then click Search or press your Enter key.

When the AC-119Gunships site appears, click Join Group.

Once you click Join Group, you will be asked for a brief note explaining your connection or interest to AC-119Gunships. If you are on our rosters, it will be a quick approval by one of the site admins. In other cases, requests will be reviewed and approved on a case-by-case basis.

If you have questions or problems, contact a Facebook Admin. You can contact one of them via the Board & Committee page on our AC119Gunships.com website. (Click the "Contact Us" button in the webpage footer.)
