Stinger 41 Tribute T-shirts
and
The KIA Family Fund

This t-shirt is designed to honor the crewmembers and mission of Stinger 41—the only AC-119 gunship lost in combat. We've set up a fund for all family members of our KIA, both Shadow and Stinger, who are attending a reunion for the first time. Profits and donations from the sale of our Stinger 41 Tribute t-shirt will go directly towards offsetting their cost of attending the 2021 reunion. You can honor the three Stinger crew members who died in the crash and the seven crew members who survived, as well as all our KIAs, by buying Tribute t-shirts. When you purchase Tribute t-shirts you will also see a box where you can donate directly to the KIA Family Fund. Let's wear these Tribute t-shirts proudly at our 2021 reunion.
