

The AC-119 Gunship Association

September 11, 2021 News Flash

From The Vice-President's Desk

The video below was made as a tribute to all of the Association members we have lost since it was organized in 2000. The numbers are sobering and are a reminder how fragile life is. We have a database of over 2500 AC-119 related individuals. Our Association has a membership of over 600 members and a Facebook membership of over 600 individuals. It is an amazing organization. The names that scroll in the video are not meant to be read individually, but are meant to give you a sense of how many we have lost since the year 2000. If you want, click on the "lyrics" link below, print the lyrics and sing along with Toby Keith when the names scroll. If you are reading this you do not need to try to find your name on the list. The list is current as of August 21, 2021. RIP to those we lost.

TRIBUTE TO OUR FALLEN BROTHERS
