Subject: Expression of Appreciation

Dear Ms. Lee:

The AC-119 Gunship Association held its 21st reunion there from October 6 – 10, 2021. The reunion had fewer attendees that usual, but that is well understood under the circumstances of the Coronavirus Pandemic. Our Association's Vietnam Veterans truly needed to have this reunion, to help us preserve our history as we rekindle our friendships.

You and your staff put forth a superb effort to make our reunion event a success. We understand the staffing constraints you had to endure.

Thank you for the extra effort every day, for the five days we were there. Our reunion coordinator Gus Sininger and I appreciate the extra effort you all made.

Please share this letter of appreciation to those staff members that helped support our reunion.

Continued success!

Sincerely,

Michael J. Drzyzga
President
