Subject: Expression of Appreciation

Dear Ms. Lee:

The AC-119 Gunship Association held its 21st reunion there from October 6 – 10, 2021. The reunion had fewer attendees that usual, but that is well understood under the circumstances of the Coronavirus Pandemic. Our Association's Vietnam Veterans truly needed to have this reumon, to help us preserve our history as we rekindle our friendships.

You persoanlly put forth a superb effort to make our reunion event a success. We understand the staffing constraints you had to endure, but that did not steal your energy.

Thank you for the extra effort every day, for the five days we were there. Our reunion coordinator Gus Sininger and I appreciate the extra effort you, Angie, Jay, and the bar tenders all made.

Please share this letter of appeciation to those staff members that helped support our reunion.

Continued success!

Sincerely,

Michael J. Drzyzga
President
