Subject: Electronic filing with the IRS

Here is the latest on e-filing with the irs. Just a reminder the irs had changed some of its regulations and we must now electronically file with the irs. If we fail to file for 3 consecutive years we will lose our tax exempt status. I don't think there is a whole lot to do to get this done it looks to be fairly simple but if you have a few extra minutes take a look at this web page <http://www.irs.gov/charities/article/0,,id=169250,00.html> thought I would let you all what was going on with this. If anyone has any helpful info let me know. So far we have received 9 registrations and I will be working on a registration tracker and send you all a copy with in a few days. I will be sending Jerry our financial history for the past 3 years so we can obtain our Missouri tax exemption for the upcoming reunion. Our Certificate of Exemption for Florida expires 31 Oct 2009. So we're good for the 09 reunion and will get it renewed at the appropriate time.

Take Care & May God Bless
Doug
