

1. Reunion update:
 - a. No tour specifics yet (Ellen think next week she will have some). Possibly Thurs full tour & shorter Fri one.
 - b. T-Shirts concept complete. Ellen needs image files (flags, logo, ac) for T-shirts & name tags for her POC at local shop. Jim Dunn is less “tax advantage”, we need 3 month lead time, therefore Ellen will handle the job.
 - c. Lanyards: EV has good ones for \$0.99 (compared to \$4 for the black logo 119’s that most often do not return), we need about 350 – 400 better to have surplus than not-enough).
 - i. EV will check on name tag holders for clip-on vs. lanyard style & let us know. IF NOT located, Ellen can obtain from on-line source or Staples. We can offer both as an option.
 - d. Water bottles: the TShirt source also has info on availability.
 - e. J Dunn did co-ordinate with Cash McCall for PR out-reach – Wayne will double check! AND Ellen will do local conv center PR.
 - f. Band: Wayne will engage local contact & supply info to Ellen.
 - g. Speakers: Optional; nevertheless must relate to AC119 or SpOps, pertinent to current events. Ellen considers having speakers at other-than Banquet, Wayne indicates past attendee survey suggest only topics related to 119-ers. Wayne suggests 10-20 min from Ron Terry. Ellen suggests “Chiefs”, Wayne recalls past efforts to engage Chiefs, none are “speakers”.
 - i. Ron J contacted Terry about yr ago, Wayne much longer ago, Ron will reach out, Terry to be our guest, 20 min max with his agreement.
 - h. VNAF contact: who can help Bruce Byrd contact VNAF in Tx – Wayne suggests Bob L to work with Bruce with VNAF (steer clear of any “850” discussion).
 - i. RV parks: Ellen gathering info, will provide to Bill P to post on the web, include next N/L, & next POCs UPDATE blast on tours availability.
2. N/L (newsletter): TWO more, April & July, Articles: Wayne has sufficient material to a well-weighted N/L. Reunion, who’s com’ so far, AR-15, Obits. Must have tour details for 4/23 N/L distribution, Ellen should have info by 4/16. The 2nd is planned for 3rd wk July.
3. POCs will do snail mail. We need to provide “how to guideline to POC. (Jim A used to do a folded N/L with address spot allowing adhering an address label & stamp. Mike D prints envelops from mail-merge, then stuffs the N/L into the envelope & stamps them). OLD QUESTION: Will NON-Members be receiving hard-copy N/Ls?
4. IT AdHoc update: Our database improvements are being defined, integrate reunion attendee’s data along with MCL & Membership Lists. Doug will continue spreadsheet use now. Doug/Wayne will finalize reunion attendee spreadsheet, send to Ron & Jim. Mike will email his two spreadsheets details to Ron a.s.a.p.
5. Facebook development: desire improved “linking & alignment” with other communication tools. Tony P has been unresponsive to discuss more – Gus will walk a bit & knock-on-the-door. We want to continue momentum. Jim M & Bill P discussed FB being more real time & interactive. Tony did good “Admin’s Job” to keep off FB undesirable posts. Jim M sees benefit to link FB & our Web page. Who can be Admin to take down politics, profanity? K Graves uses internet a lot, & may be willing to partner with Andrea Drzyzga to keep track. To be continued
6. Transitioning our Web site in order to give Bill P less burden.
7. Hupe model Video: Gus to provide us an update
8. Ev is directed to purchase a DVD “dupper”, & send Doug the receipt

10. ABQ: Al Heuss & Bob L may partner providing info to 71st for a Heritage room. Does Bob need pics, other info?

12. Hubbie provided FOIA access info – we will follow up on it.
13. Ascots project is going forward – plan is to have some for Reunion.
14. Pat McGillis made beautiful shadow boxes for ammo display – CAN they bring some to the reunion to be place FOR SALE. He can do both 20mm & 7.62mm. If we allow him to sell, how do we do it (we keep small %, we raffle one of each) work in progress
