We should recognize Honorary Members like:

- Marvin
- Karen Graves
- Legacy Squadron Commanders, like 73<sup>rd</sup> or 71<sup>st</sup> if they're signing up for events.

We also need to identify any KIA Family Members, maybe something like Mae Rucker's. These can get big (maybe too big for Name Tag Holders, so we might need to change font or patch size a little bit.

I'll work with you on the ones that fall into these special categories.

Also recommend we identify “first-timers – maybe even something highlighted like this.

The only differences in these last two is that they include a generic AC-119 inserted before the crew position, or flowers for spouses.

Also shows how we represented someone who was in more than one unit.

You can choose whatever you want but the most important things are Name, Title, Unit, Family Relationship, & Hometown.
