Is SMART Magazine part of the Special Military Active-Retired Travel Club or something else? **Yes it is and HQ is in Pensacola FL**

Any of the prior FE, IO, Gunner, Maintainers belong to NCOA? We need one of you to send them a letter or e-mail like Jim D did for the other organizations he listed below (including the letter samples he sent). **I sent NCOA the info even though I'm not a member. They said they would publish "space available".**

We can also try <http://www.trea.org/Reunion/ReunionUSA.html> They have listings for all branches of service.
Jerry & Ellen also advertised (free) in Josh@reunionsmag.com and www.reunionsmag.com Thanks! Wayne

Dear Editor, We are looking for former members associated with the AC-119 gunships used from 1967 to 1972 in Southeast Asia. We'd like to find aircrew, ground crew, support personnel, Friends & Families and anyone whose bacon we saved. Would you please consider adding an area in the Hangar Digest for reunions or buddy searches? As most of the gunship personnel came from transports your magazine would be a natural melting point. I was one of the seven navigators from the 1 MAS and 39 MAS who went to AC-119K's when the C-133 squadrons were closed in 1971, then returned to 436MAW to fly C-5s after our 366 day [leap year] tour in SEA. Also would you list our REUNION
