Mike, Fletch, & Doug,

Last version of By-Laws that I had updated for web posting. It might need some additional updating to incorporate some of the policies the Board authorized.

IRS Info also attached.

I'm attaching a cleaned up version of the 2002 Assoc Mtg Minutes. The one I sent earlier still had track changes in it.

On ALL of the stuff I sent today, please review, edit as needed, then advise me when I can provide them to Earl. I'll batch load them on TWE's website in their AC-119 Working folders so Earl can find them in one location.

Thanks! Wayne
