

Sue Hamman

October 7, 2009

Dear Susan,

Please accept this copy of our AC-119 Gunship History Book in remembrance of your son, my friend, and our fellow airman, Tom Hamman.

This book is one of the most comprehensive projects that our AC-119 Gunship Association has ever undertaken. We appreciate your role in helping us make it all happen.

All of us who were in AC-119s, our families and friends, and history itself will now have the opportunity to remember and learn about our AC-119 and the gunshippers who flew and supported her.

Please accept our heartfelt thanks and ongoing prayers!

Sincerely,

Augustus D. Sininger, President
AC-119 Gunship Association
