Wayne here is an update from Col Joss on the Paintings. Gus

Sir, The art has been located. I presented the information on the art work and the procedure for getting the loan initiated to our historian's office two weeks ago. The update I got yesterday was that the person in charge of collections, Ms Strider, is on leave till the end of this week. They will initiate the process with her upon her return. Thanks again for the help on this. I will keep you updated on the status as I get more information. Lt Col Joss

Sir, I am trying to track down two paintings that I believe your organization donated to the Air force. They are "Rolling In" and "Guns Hot" by Darby Perrin. I was told they were loaned to the Air Force Museum at Wright Patterson. However, the Air Force has no record of them. I don't have any more data to conduct a search. Do you have any more information on this art work, like who it was loaned to, when this happened...anything? I'm a bit confused as to what happened. Did your group donate them to AFSOC then we loaned them out, or did your group loan them to some other organization? Any information would be appreciated. Lt Col Tom Joss
