Association's President Resignation

John Cootz submitted his resignation to the Board of Directors. We all know how life goes, and this was a personal decision. We understand and respect that decision.

He will be missed, and we wish him continued success, but be assured that the Board is responding effectively. We formed a three Board member "Governance Committee" to take us forward until the President's position is filled. Reunion XXIII is on track and we are ready to put another successful gathering of 119ers into our Association history.

John lead a very successful year for the Association. He is an energetic leader, and kept the Association on track! He was planning to show a video summary of this past year's events. In order to show you what he helped us accomplish, that video is provided by the link below.
