

Registration for the 2024 Reunion

The Association is ready to gather once again, this year in Colorado Springs, CO, Sept. 11 -15, 2024, for the Association's 24th reunion. Here is where you get to refresh old friendships, make new friendships, and move our AC-119 legacy and heritage just a bit closer to the daylight.

The Board worked diligently to put a great reunion package together. Hotel information and the Program for 5 days is included on the following pages. The Registration is on this page, below. The Reunion includes our Hootch, Meet & Greet, Association Meeting, Banquet, and Farewell, as well as TWO fantastic Tours! **PLEASE READ the Program Info carefully!** This announcement is out later than usual, mostly due to the fact that the Board and Committee workers are spread thin. You're not surprised to hear that the number of active Association folks is getting lower – we are losing more people than we are gaining. For this reason, reunions like this one are so important to keep our friendships engaging, and to meet new friends. There is an increasing number of friends and family participating, which helps make reunions successful. With some of the ills from the past few years behind us, the Association should have a great turnout this year. We have made commitments on expected participation, and it is VERY IMPORTANT for us to get attendee numbers as soon as possible. **Therefore, you are encouraged to register early!**

This information is on the Association's Website, and posted on our Facebook page for those of you using social media. **Hope to see you ALL there!**

The ride includes a \$25 voucher lunch on the train, where a bistro-style menu is available during the ride. Do not miss the train ride that has been called "The most spectacular 12 miles of railroad in America."
