

# The AC-119 Gunship Association

**October 14 2024**

## FLASH

### AIR FORCE ACADEMY SE ASIA MEMORIAL PAVILION

#### C-141 Plaque

Some of our members came from C-141s and others went to C-141s after their gunship tour. We want to provide those aircrew members an opportunity to contribute to this project, if they wish. NOTE: The C-141 plaque will be close to our AC-119 plaque.

In recognition of those USAFA graduates and all who participated in C-141 Starlifter operations in support of the Vietnam War, we would like to place a C-141 plaque on the Wall of Aircraft in the SE Asia Memorial Pavilion. This 20"x20" forged bronze plaque will be designed by Jim Nance (USAFA Class of '71). The cost of casting the plaque will be approximately \$6,000. We will be using the Custom Ink t-shirt company's fundraising program to manage the donations. All funds will go directly towards the purchase of the plaque and the upgrade and maintenance of the USAFA Southeast Asia Memorial Pavilion. To watch the video, donate or buy a C-141 plaque t-shirt, click on the link below. If you have any questions, call Roy Davis at (253)549-2044.
